Separate Board discusses new Highschool design – opts for conventional rooms

Architect Jack Gardener was in attendance at the Sept. 8 meeting of the St. Albert Protestant school board to give trustees a progress report on the district's new high school.

Mr. Gardener advised trustees that his office is making good progress on the working drawings for the new building and that a plan has been prepared which meets as many of the teaching staff's requests and suggestions as possible. Mr. Gardener added he foresees no problems, but it will be another four weeks before tenders can be called.

In outlining the structure, Mr. Gardener noted that all floors and roof-systems will be of pre-cast concrete. "This," he said, "is automatically fire proof and gives us freedom to run ducts any way we want." The exterior walls will have a brick finish, backed up by concrete blocks. There will be a hot water plant for corridor, washroom and ancillary room heating; classrooms will have gas heating.

Mr. Gardener added that air conditioning could be installed in the school at a later date, the budget does not allow for this at the present time. If installed at time of construction, air conditioning would add about $35,000 to the cost of the school. Mr. Gardener also drew attention to the high operational expense involved with air conditioning.

The architect pointed out that considerable changes had been made to the original "little theatre" concept. He has, after consultation with the staff and other individuals, done away with plans for a stage and a sloping floor and has now planned the area for a musio-drama workroom.

Mr. Gardener then discussed in detail the humanities wing, for which he presented two different plans. Each plan allowed for seven classrooms, but in the one plan these were of the conventional rectangular type, while the second plan provided for four triangular shaped rooms, divided by sliding walls.

Trustees Charles Schroder and Dr. Wm. Cuts had studied both plans in detail and gave their, opposing, views to the other members of the board.

Dr. Cuts said he was very much in favor of the triangular rooms. "We expect an architect to come up with some innovations and this idea seems to have captured the fancy of the teaching staff. They are the ones going to be working there and I think we owe them a trial of something new. The triangular rooms are not all that radical and I would like to see this board go ahead with the idea," Dr. Cuts said.

"I'm going to be conservative, and go for the regular rooms," said board chairman Charles Schroder. "Our experience with folding walls has not been good; in fact, it has been disastrous. We do not have one folding wall in this district that works properly." Mr. Schroder pointed out that the $5,000 extra cost for

Junior Forest Warden Club in fourth year in St. Albert

Junior Forest Warden Clubs in Alberta which number approximately 60, come under the direction of the Provincial Government, Department of Youth and each club is sponsored by a local organization. In St. Albert the program is sponsored by the St. Albert and District Fish and Game Association.

The basic program is one of conservation and includes subjects such as forestry, woods-travel, first aid, tree identification, communications, firefighting and trapping.

The intent is to provide wardens with an understanding of some basic fundamentals so that they may contribute to the conservation of Canada's vast natural resources.

Each year the Department of Youth organize and supervise four 10-day camps in the Hinton area. Three of the camps are attended by JFW while the fourth is attended by members of the Girls Forest Guard.

This summer St. Albert were allocated 10 out of a total allotment of 150 for all three camps.

Outdoor activities to date have included planting 2,000 young trees in the Cooking Lake area, assisting the St. Albert Lions Club in the development of their campsite areas, visits to displays at NAIT, cutting hiking trails in the Cooking Lake area, a very successful Christmas tree expedition and of course, camping.

Some six or seven boys whose ages ranged from 14 to 18 entered and successfully completed the Hunter Training Course offered by the Lands and Forests Branch.

There are wardens in the 15 to 19 year old category who can provide training but adult supervisors are needed to provide the authority required to supervise boys in the 10 to 14 age groups.

The local sponsors also require additional councillors to assist in the planning of programs and projects. The group recently lost the services of Edo Nyland, a most active councillor and supporter, who is now chief forester of the Yukon. The responsibilities of a councillor involve attending a meeting usually once a month to discuss current and future planning and provide guidance for the club's generally.

Some interest has also been indicated by girls and the local Fish and Game would welcome the services of a lady to act as supervisor to a Girls Forest Guard Club. The program is essentially the same as that provided for the wardens.

Enrollment in this organization does not involve any registration fees.

The Junior Forest Wardens do have a uniform but new members are advised to wait at least three months to ensure they are interested enough to continue membership, before purchasing the uniform. Wearing of a uniform is not compulsory as the association is more interested in the individuals participation.

Should anyone require additional information they should contact Ken Armstrong at 599-8081.

Registrations will be taken on Thursday, Sept. 16 at 7:30 p.m., at the Clubhouse beside the Grosvenor Park swimming pool.

Bus to U

St. Albert residents interested in direct bus service to the U of A are asked to get in touch with Curt at 599-3830 or Julian at 599-6371, between 5 - 9 p.m.

GEORGE WILSON

I would like at this time to inform the electors of MD of Sturgeon #90 Division one that I will not be seeking the nomination on the 20th of October for councillor for another term. May I take this opportunity to thank all those who have supported me during the terms which I have served as your school board member and as your councillor.

G. W. Wilson.

You, too, can blow your horn

The St. Albert Lions Community Band will hold an organizational meeting Thursday at 7:30 p.m. at the Father Jan School gym. The first practice and registration will be at the same location on Tuesday, September 21, at 6:30 to 8.

Practices for bandsmen are planned at this hour to accommodate adults and high school students who would not be able to participate in an after school practice. Tuition is $10 per year.

Bandmaster Bob Heuermann plans to conduct a continuous practice with an overlap whereby senior players would not be hampered by less polished participants. Come out, it will cost you nothing to inquire and very little to participate

New bandsmen are needed Adult beginners are also welcome.

Beginners will register at the above mentioned time

An after school program for children will be offered once a week on trumpets and clarinets. There will be a limited number of instruments available for rental at $15 per year on a first come-first served basis.

Final Count

Final results, received from the office of the Returning Officer, shows the following number of votes polled by each candidate in the August 30 provincial election. The previously announced, unofficial numbers are shown in brackets. Ernie Jamison, 4623 (4620); Keith Everitt, 3592 (3585); Robert Russell, 1660 (1661); Elsie McMillan 878 (878).

the folding walls would have to come out of the supplementary requisition.

At this point trustee Bill Penrose questioned the arrangement of furniture in triangular shaped rooms and was told special furniture would have to be purchased but that this would not necessarily be more costly than conventional desks.

John Hrynew presented a strong case for the triangular plan. "The philosophy behind this building is to get teachers to work as teams. This is why we want to get away from the cubicle type of set up," said the principal of Paul Kane high school. "Most of our staff are anxious to have this kind of environment. And we have conventional rooms elsewhere in the school. It isn't as if we were stuck with a school full of triangles," he said.

Asked for his comments on the proposals, Superintendent of Schools Elmer Gish said he could see merits and disadvantages in the triangular scheme. "Four-sided rooms are best for grouping," he said, adding he would favor the three-sided rooms if they "could be larger, say, 900 square feet." Mr. Gish added triangular rooms would be excellent for audio-visual presentations.

"You have to allow for unusable space. I cannot honestly see more than 25 students in each of the proposed triangular rooms. It is innovative, but I would give the nod to the rectangular rooms," Mr. Gish concluded.

Commenting before trustees were asked to vote on the issue, Mr. Gardener conceded that folding walls could give trouble and that in three sided rooms there is some loss of space. "But I hate to see the enthusiasm of the teaching staff squelched and I would settle for two rectangular and two three-sided rooms," he said.

Charles Schroder's motion that the architect be instructed to proceed with the rectangular plan was carried, with trustees Wiltshire and Davis voting with Mr. Schroder. Voting against the motion were trustees Penrose and Dr. Cuts.

With the problem of rectangles and triangles cleared away, architect Gardener posed yet another question for trustees: Do we provide extra physical education area, or a student lounge area, by means of walling off a mezzanine.

The mezzanine in question is over the gym and could be left an open area to be used for wrestling, tumbling or other phys-ed uses or be walled off and become a student lounge or provide additional instructional space.

Mr. Hrynew stated he would very much like to see a student lounge, "but not over the gym." He said in discussions he had held with his staff and a number of students, all expressed concern over the difficulty of supervision of such an area. "We hope to have a proper cafeteria when the school is enlarged and we are prepared to wait for that." In the interim, Mr. Hrynew plans to stagger lunch hours in the new high school, as he sees "no way we can accommodate 600 students all at once."

"Let's wait a few years and build a proper students lounge;" he suggested.

Mr. Gish said he is very much in favor of an "open area" and noted if this does not work out, a wall can be put in at a later date.

Dr. Cuts' motion that the mezzanine be closed by means of a wall, was carried, as was Mr. Schroder's subsequent motion that the enclosed area be designated as student lounge.

The Grice Building, at 16 Perron Street, was officially opened this morning. Occupants include the St. Albert Sportshop, R. Kambouroff and Co., Grandin Agencies and Osborne Life Insurance Agency. Owners of the building are Doreen Grice, Ken Pollon and Tom White.

Sportshop features many specials

When the St. Albert Sportshop officially opens its doors this weekend, patrons will be greeted by a large variety of attractively displayed quality merchandise.

To further add to the occasion, the owners of the Sportshop, Ken Pollon and Tom White, are offering many valuable prizes, to be drawn for early next week. Among the items offered are two pairs of Olympic Puma shoes, a sleeping bag, 24 Sherwood hockey sticks, Cooper basketball and hoop and one lucky boy or girl will be invited by the St. Albert Sportshop to pick out a pair of CCM skates, valued at up to $25.00.

The St. Albert Sportshop will be donating hockey pucks to the Kinsmen minor hockey program this season. Ken and Tom expect to be giving away in excess of 400 pucks to local young players.

Pre-registration for minor hockey will also be taken at the Sportshop up till September 23.

New stock is arriving daily, and residents of St. Albert and district are invited to drop in and see the merchandise in stock.

Offers Complete accounting services

R. Kambouroff and Co., public accountants and auditors, have moved into their new offices in the Grice Building, at 16 Perron Street.

The firm offers a complete accounting service and is fully staffed to handle both small and large accounts. Financial statements, pay rolls, income tax and complete business management will be capably looked after by owner Rene Kambouroff and staff members Audrey Wright and Paulette Kilfoil.

Business hours are from 8:30 - 5, Monday through Thursday. The office closes at 4 p.m. on Fridays.

Grice Building opens on Perron Street

The Grice Building was officially opened by Mayor R. M. Gibbon in a ribbon cutting ceremony held this morning. The spacious new building is located at 16 Perron Street and houses the St. Albert Sportshop, R. Kambouroff and Co., public accountants and auditors, Grandin Agencies and Osborne Life Insurance Agency.

Owners of the Grice Building are three St. Albert residents, Mrs. Doreen Grice, Ken Pollon and Tom White.

The 2,400 plus square feet building is fully air conditioned and carpeted throughout. It is of concrete block construction with antique brick facing. A most attractive feature of the building are the cedar shakes, which give the structure a rustic touch.

General contractor for the Grice Building was Ardon Construction, of Edmonton.

Grandin Agencies open new office

Grandin Agencies announce the opening of their new office in the Grice Building. The firm specializes in residential, fire and personal auto insurance.

Jim Oliphant established the agency six years ago at his former location at the Grandin Shoppers Park. He has been in the general insurance business for over 10 years. He is also a commissioner for oaths.

Mr. Oliphant and his family have resided in St. Albert for the past 11 years.

Consultant will discuss insurance

Eric N. Osborne, of Edmonton, is the owner of Osborne Life Insurance Agency, with offices in the Grice Building on Perron Street.

Mr. Osborne is a general agent, representing the Financial Life Assurance Company. He has been an agent in excess of 16 years.

Mr. Osborne is available without obligation to anyone to give advice on a general insurance program. He welcomes inquiries.

Tennis

A junior and senior tournament will be held on Saturday, Sept. 18 starting at 8 p.m. The courts will not be open to the public on that day.

Goings on at Paul Kane

By Holly Hill

Paul Kane students are back in pencil pushing shape after nearly two weeks of classes. This year PK is crowded to overflowing due to lots of grade 10 students and students who are new to the district. All of us old students hope to see the new ones out participating in all of PK's activities.

FROSH:

PK held its Frosh initiating activities last Wednesday. This year, all frosh activities held during the day and Kangaroo Court, held in the afternoon, went off well. The only pains the frosh seemed to be suffering from was hurt pride, although there were a few minor physical pains from going upstairs on one's knees, crawling down the hallway carrying a seniors book and other such menial tasks.

All "good" frosh escaped Kangaroo Court, where Judge Earl Berg presided. Although the crown prosecutor Dina McLaughlin got carried away condeming the plaintiffs, justice was upheld by defense Bill Clark and 13 just jurors.

A welcoming dance was held that night at the Club Mocombo where the frosh were allowed in for one half the admission cost.

I.S.C.F.:

This year the ISCF meetings are held Fridays, at noon, in Room 2. All new and interested students are welcome to attend these meetings.

SPORTS:

Paul Kane's teachers really asked for it last Friday when they came up against our superior senior boys team in a game of tag football. But the teachers, unfortunately, came out victorious with a score of 12 to 0.

The first volleyball practises will be held next week, for last year's teams and this year's hopefuls. The boys practise Monday's and Wednesday's, under the expert eagle eyes of coach Resler. The girls have Tuesdays and Thursdays, under the guidance of that terrible two, Mrs. Fairbairn and Hans Zylstra.

STUDENTS UNION:

The students' parliament held its last meeting Thursday, Sept. 2. It was decided that the form of the meetings would change back to that of a students union.

This eliminates the position of speaker, but also brings in three new positions, that of vice president and boys and girls sports reps.

The students union elections will be held Friday, Sept. 17. All nominations for positions on this year's students council closed 3:30 Monday afternoon.

This is Amateur Football Week in Canada! Take your son to an organized football team - don't send him to the dangerous sand lot.

First Alberta Cyclo-Cross scheduled for this Saturday

For the uninitiated, Cyclo-Cross is probably the most spectacular form of bicycle racing. Imagine a rugged cross country running course, complete with fences, gullies and hills. And then imagine racing around it on a bike, carrying your machine where it is impossible to ride - and there you have it.

Interested riders are asked to report to the starting point, 50 yards east of the Ridgewood Terrace Condominium, by 2 p.m. September 18. There is lots of parking space.

** ** **

Boys really have fun playing football. Adults can have fun watching them. Visit the field this week and be part of this exciting sport. This is Amateur Football Week in Canada. Adults in every village, town and city in Canada, from East to West, will be doing their thing, by participating and supporting Amateur Football programs. Keep in Step With Canada -- help celebrate Amateur Football Week.

31 Nominated today For St. Albert posts

Mayor

As was expected, three candidates filed nomination papers for the mayoralty in St. Albert today. Seeking office are incumbent Ray Gibbon, Donald Bull and Richard Fowler.

Council

Seeking seats on Town Council are John Bakker, Rene Kambouroff, Frank Lukay, John deBruijn, R. Gaunce, Bob Hudson, Stan Kolomyjec, Teresa Parsons, Rod Throndson Armand Donais and Alvin Morris.

District 3

Six candidates are vying for five Trustee seats on the catholic school board. Nominated today were Don LaBelle, Norman Lynch, David Fraser, Allan Gannon, E. Howrish and Sylvia Walsh.

District 6

Five trustees are to be elected to the protestant school board. Seeking election are: E. Taylor, G. Unger, E. Davis, C. Schroder, J. Wiltshire, Dr. Wm. Cuts, A. A. Sollanych and D. Munro.

Hospital

Two members from the St.Albert wards were elected by acclamation to the Sturgeon General Hospital board. They are Angela Sonntag and John deBruijn.

Gibbons feted for silver anniversary

Ray and Eileen Gibbon got a real surprise Saturday evening, when they dropped in at the home of Mrs. Doreen Grice on Gladstone Crescent, along with Dave and Marg Davis. Instead of the cozy cup of coffee they expected at Doreen's kitchen table, about 40 guests gave them a warm "Happy Anniversary" greeting, taking them completely unaware.

Members of Ray's family had arranged the party, held about a week and a half after their actual silver anniversary. Guests included Mr. and Mrs. Nelson (one of Eileen's bridesmaids) of Edmonton and other longtime friends, Mr. and Mrs. John Lovseth, Marge Titely and Red and Yvonne George, of Edmonton, Ray's sister Jean Denesuk and nephew Brian Gillard of Calgary, Ray's mother, Mrs. A. Gibbon, brother Ron and his wife Lynn, sisters Paulette and Lorette Gibbon, and Eileen's mother, Mrs. C. Johnson, all of Edmonton, and his sister Eileen Gillard of St. Albert and niece Karen Gillard.

The Gibbons' son and daughter, Matt and Brenda were also present along with many friends and neighbors in St. Albert.

Dave Davis expressed the congratulations and best wishes of the gathering, and presented Ray and Eileen with a 25th Anniversary Tree, gaily trimmed with silver dollars, and a beautifully decorated cake. Obviously somewhat overwhelmed, Ray thanked everyone and expressed his and Eileen's pleasure in seeing so many old friends on the happy occasion. Eileen also graciously thanked all those present.

A delicious late supper concluded a thoroughly enjoyable anniversary celebration.

Delegation questions schools tuition

A delegation of about 12 parents filled the board room at the Sept. 8 meeting of the St. Albert Protestant school board.

They were there to protest the policy regarding school district #6 students attending schools outside the town of St. Albert. This policy was adopted Oct. 28, 1970 and has been in effect one year.

In brief, the Protestant separate district pays in full tuition fees for retarded children attending classes at L. Y. Cairns, Oliver, Winnifred Stewart and Robin Hood schools.

It also pays tuition fees for children attending Evelyn Unger school, Glenrose school, School for the Deaf, special classes for the emotionally disturbed and sight saving classes.

The district pays one-half of the tuition fees for those academically handicapped children for whom no appropriate programs are available in St. Albert.

There is a fourth category of students who attend classes in Edmonton. These youngsters have chosen, for their own reasons, to attend high schools in Edmonton. They have the ability to take a program offered at Paul Kane, but some prefer "a bigger school, such as Vic" or want to take classes not offered locally such as dramatics or different languages.

Students in this latter category are provided with information concerning programs and admittance procedures in Edmonton schools, but they must make their own arrangements and bear the full cost of tuition fees. It was the parents of these students who were protesting the policy as it pertains to their children.

They felt if the physically or mentally handicapped children have their tuition fees paid by the school board, either in full or 50 per cent, so should they be reimbursed by the board.

First to speak was W. Thiele who said his first reaction was that the board was being 'discriminatory.'

"Those who want to take courses elsewhere are being punished, or, their parents are," he said. "We realize this district cannot offer such a wide program as Edmonton. But why should I pay taxes supporting this district and, at the same time, pay full tuition fees in Edmonton?"

Mr. Thiele asked the board to review its policy so that "academically capable students are not punished." In closing, Mr. Thiele suggested the board try to negotiate a solution with the provincial government.

Trustee Jim Wiltshire pointed out those parents whose academically handicapped children the board pays half the tuition fees for, still are out of pocket considerably more than Mr. Thiele. Fees for the special program at L. Y. Cairns are $600, of which the parents pay half. Mr. Thiele pays $170 - to have his child attend school in Edmonton.

Trustee Charles Schroder commented there are certain "hazards" one must put up with when living in St. Albert. "Our water bills are higher, and we do not have as good a variety of educational opportunities here."

The board also came in for some strong criticism from Mrs. R Brodgesell. "This school board makes no attempt to check into the performance of students attending classes in Edmonton," she said. She added she "despised" the fact that the board had set its policy

Sylvia Walsh seeks re-election

One of the candidates seeking re-election to the St. Albert Public School Board #3 in the forthcoming October civic election is Sylvia Walsh.

Mrs. Walsh is the wife of Sergeant E. M. Walsh; the family reside at 30 Gresham Boulevard and have one son.

Mrs. Walsh has had a long and continued interest in educational issues. She taught school until recently when she assumed the role of mother and housewife.

She is an honours graduate of the University of Alberta where she also did her post-graduate work (masters level), including the supervision and evaluation of student teachers. She plans to eventually continue studies at the doctorate level. Her field of specialization is elementary education.

While on campus, Mrs. Walsh participated actively in student and professional organizations. More recently, she has served on the executive of the Ladies Auxiliary to the Edmonton Policemens' Association.

An active hobby she has pursued through the years is that of free-lance writing, particularly in the fields of natural science and early Western Canadian history.

She is presently working on a second book dealing with the Western Canadian NWMP forts. She hopes to have this particular project completed by May of 1973 -- the 100th anniversary of the Royal Canadian Mounted Police force.

Mrs. Walsh has participated in local community projects with keen enthusiasm, including her work in the cub movement.

Her campaign platform deals primarily with the demands and challenges being made upon the educational system by a rapidly changing, increasingly specialized society. It stresses the need to bring community and school closer together.

Dick Fowler in race

Former St. Albert mayor Richard S. Fowler has announced he is seeking the mayoralty in the October 13 civic elections.

Mr. Fowler, a town councillor for two years prior to being elected mayor in 1965 did not seek office in the 1968 elections.

He is presently serving on the Board of Sturgeon General Hospital, and is on the governing authority, Athabasca University.

He is manager of an engineering sales firm in Edmonton and is attending the University of Alberta.

Residents of St. Albert since 1958, Dick and his wife Vera have six children.

Mr. Fowler plans to announce his election platform next week. His campaign chairman is Charles Schroder, and other members of his committee include Steve Kalita, Don LaBelle, Larry Martindale and Rudy Scheibelhofer.

I have lived in St. Albert, now, for six years and am presently in the full time post of Executive Secretary at the Edmonton General Hospital.

I love St. Albert and feel that it is one of the greatest municipalities within our borders, hence my desire to have a voice on council;

I feel I have something to offer the residents of St. Albert if I am elected to represent them on the town council.

I feel very strongly that our town has such great potential for growth and development, and would not want to see it amalgamated with Edmonton; we have too much to lose to have this happen.

There will be many matters to discuss once construction gets under way on the Athabasca University, and much planning, in order to ensure that St. Albert reaps the greatest benefit possible from the university's location close to our town.

I have strong feelings on matters such as pollution, preservation of the green areas, recreation activities, and others; and I applaud the recent decision of the council allowing renters to vote on money matters - a first for St. Albert (which appears to have given the lead to Edmonton).

Although I am new to council procedures, I am quite familiar with committee and board work, and if elected I promise to attend all council and committee meetings, make intensive study of all issues and vote judiciously in the best interests of St. Albert's residents. Any resident who has a problem they would like discussed by council is perfectly welcome to contact me, and I will do my utmost to serve him/her well.

May I have your support in the October election.

Teresa Parsons.

Don LaBelle announces candidacy

May I take this opportunity to announce to the public school supporters of St. Albert, that I will seek re-election to the St. Albert School District #3 Board of Trustees in the forthcoming elections scheduled for October 13.

I have served on the Board for the past four years with the latter two years as Vice-Chairman.

Education costs and demands continues to spiral upwards. Your school board during the past few years has endeavoured to control expenditures where ever possible, and have introduced into our system programs which give your children the most benefits for the least costs.

There are many problems facing Trustees as we move into the 1970s. Problems that demand experience and sound judgement. I feel your Board has provided this service and if re-elected I will continue to work on your behalf to ensure that the ratepayers of St. Albert continue to receive good leadership.

I humbly request your support on October 13.

Donald J. LaBelle.

Teresa Parsons seeks seat on Council

I wish to announce that I shall seek election to the St. Albert Town Council in the forthcoming elections. I am the mother of five children and was educated in Liverpool, England, where I matriculated at age 14.

I worked with the British Waterways Board for some years before emigrating to Canada and I hope that my experience in this connection will stand me in good stead in the matter of pollution of our Sturgeon River.

Hector Soetaert presents the Texaco Doubles Trophy to Laurence Smith and Mel Watson at the RQB Community picnic.

R.Q.B. holds picnic and sports

By Vera Soetaert

Riviere Qui Barre held its annual community picnic with the weatherman cooperating. Varied activities held the interest of young and old alike.

The Busby gymkhana club put on a crowd pleasing show. Games for the younger people ranged from a fishing pond, complete with water and fish, to bingo and ball games for the older set.

Visiting ball teams were from Morinville, Picardville, Busby and Bon Accord.

The horseshoe tournament went well for the 32 men competing in the singles. First event winner was Lawrence Smith, who won a trophy donated by C. W. McGillis. Second in the first event went to Norbert Laliberte, Edmonton.

The second event trophy went to Melvin Watson of Jarvie, with Bob Como taking the third event.

Sixteen teams were entered in the doubles with the Lawrence Smith and Melvin Watson team from Jarvie winning the annual trophy donated by J. M. MacDonald, Texaco distributor, and H. R. Soetaert, Farm Sales Manager.

Second event winners were Norbert Laliberte and Walter Haenschke (Edmonton).

Third event went to Hugo Winkelman, Lac La Nonne, and Ken McRae, Riviere Qui Barre.

Dorothy Haenschke took home the trophy in the first event of the ladies tournament, with Violet Cunningham a close second. Winner of the second event was Marie Laliberte, Edmonton.

The ladies of the community enjoyed the use of the new kitchen for serving their concessions and a supper completed the days activities.

Borle families hold reunion

By Liz McLeod

A reunion was held at Wabamun Park to give the children of Mrs. Felina Borle and the Fielhabers of Stony Plain a chance to renew aquaintances.

Mrs. Margaret Lahl of Drayton Valley organized the occasion. Mrs. Lahl's mother, Mrs. Helen Lieman, her brother and sister, made a special trip from British Columbia as did Aunt Martha and Mrs. Bill Wood from Port Alberni, B.C., and Donald Wood from B.C. also.

Wolph and Louis Fielhaber from Stony Plain and Elsie Jones were among the 110 people present.

Fred and Madeline Brown (nee Borle) from Calahoo were fortunate to have all their children and most of their grandchildren present. Each family brought a lunch.

On August 26 the Peter McLeods' welcomed Charlie Dunstall, his daughters Norma and Marian and grand-daughter Tammie for a five day visit from Crescent Beach, B.C. Charlie has been a good friend for many years. The McLeods' and their visitors had dinner at Myles, Daphne and Alex Kerr's, and enjoyed a visit with Lil Bennett and Cliff McLean, who also visited Kerr's.

Charlie brought his mother and dad Mr. and Mrs. Tempest from White Rock, B.C., along and they stayed at Mrs. Bill Dunstall's also.

A college English professor wrote the words "woman without her man is a savage" on the blackboard, and directed his students to punctuate it correctly.

Recent bride feted prior to marriage

Prior to her marriage to Dale Sorsdahl, son of Mr. and Mrs. L. Sorsdahl of Fillmore, Saskatchewan, Clarice Kennedy, daughter of Mrs. Iris Kennedy and the late James Lawrence Kennedy of Edmonton, was honored with a shower held at the home of her aunt, Mrs. J. T. Kennedy of 5 Beacon Crescent in St. Albert.

Twenty-two guests enjoyed an evening of games with prizes, and visiting, and toasted the bride with wine. Special guests included the bride's grandmother, Mrs. Silversides of Wolseley, Saskatchewan, her great aunt, Mrs. M. Phillips of Los Angeles, U.S.A. and her aunt Mrs. Woletsky of Moose Jaw, Saskatchewan. Also present were her mother, sister Iris, and two aunts, Mrs. R. E. Kennedy and Mrs. L. Silversides, all of Edmonton.

After the gifts were opened and best wishes made for each, an appropriate luncheon concluded the festivities.

Mr. and Mrs. Sorsdahl were united in marriage by the Reverend L. M. Funk at Delwood Baptist Church in Edmonton on September 4. The bride was given in marriage by her uncle, Mr. J. Terry Kennedy of St. Albert. Following the wedding service a reception was held at the Park Hotel at 3:30 p.m.

The couple enjoyed a honeymoon trip to the Rocky Mountains before taking up residence in Calgary, where the groom is employed in the construction field.

Square Dance Week

National Square Dance Week has been set for the week of September 20 this year and the Alberta Federation is not about to let it pass by unnoticed.

The 1971 Alberta Square and Round Dance Federation Convention is being held in Edmonton this year at Ross Sheppard High School.

The Saints and Sinners Square Dance Club in St. Albert is taking part in the convention and urges everyone interested in square dancing to come out and watch the fun. The club is presently recruiting new members for their beginners classes which will start in the next few weeks.

Persons wishing to join these classes are asked to phone 599-6278.

at this late date and said she and her husband had been trying to get a hold of a member of the board for a month and had been unable to contact anyone.

Asked by trustee Bill Penrose exactly when the Brodgesells had attempted to contact school officials, Mr. Brodgesell said he could not remember but that he finally did get a hold of Mr. Gish, who had been away on vacation.

Trustees discussed their policy in committee after the regular meeting adjourned and promised to take the matter up with the provincial government. Petitioners will be advised of the outcome as soon as possible.

Arts and Crafts offer varied program for new season

By Karen Grant

Fall programs offered by St. Albert Arts and Crafts Guild and the town recreation department will be getting underway the first week in October. Schedules and registration forms will be delivered to St. Albert residents within a week. Those wishing to take courses are urged to return the registration forms promptly as enrolment in each class is limited.

This session includes a wide variety of arts and crafts for all ages. There's painting, woodworking, multicrafts, drama and ceramics for the younger set. Teens and adults programs include ceramics (wheel throwing and hand building) copper enamelling, oil painting, knit and stretch sewing, pattern designing, creative leathercraft and a leather clothing course teaching the technique of making parkas, jackets, vests and other wearing apparel from hides. Knitting, crochet and needlecraft classes will also be offered.

Pattern designing and knit and stretch sewing are new classes on the guild's roster. Pattern designing will be taught by home economist Linda MacPhee and will go into the intricacies of designing one's own clothes and making one's own original patterns.

Knit and stretch sewing is a five week course covering the Hendy Cameron method of sewing. It is a demonstration and lecture course covering the making of tee-shirts, basic sewing, slacks, shorts, lingerie, swim suits, girdles and sweaters. Instructor, Mrs. S. Worthington, has taught courses in department stores in Edmonton.

Other courses range from six to 10 weeks, each taught by a fully qualified instructor.

For further information on any of the programs, call Karen Grant, 599-8524 or the recreation department, town hall, 599-6601.

COMMENT...

by Hennie Stibbe

A delegation of parents has protested the Protestant school district's tuition policy, as reported elsewhere in this issue of the Gazette.

In all fairness, the delegation did agree that the board should continue its financial support to those unfortunate parents whose children are retarded or otherwise handicapped, be it academically or physically.

Nevertheless, they did adopt a "me, too" attitude. They asked that the school district help pay the tuition fees for their children who are presently attending classes in Edmonton . . . by choice. These children CAN be educated in St. Albert; it's simply a case of them not WISHING to be educated here.

Some go to Edmonton because they "like a bigger school," or "everybody knows everyone else at Paul Kane," others prefer courses not offered here.

Fair enough, whatever turns you on. But can the parents of these children in all honesty expect the rest of the separate school supporters to subsidize their children? Keep in mind that in their case the annual government grant of $800 per student goes to the Edmonton schools, not the St. Albert district!

"Why should we pay education tax here, if we don't use the facilities," some members of the delegation asked. There are many homeowners in St. Albert whose children have grown up or who do not as yet have children of school-age, who might well ask the same question.

Where do we draw the line? If one prefers to send ones child to a private school, should the school board (i.e. taxpayer) be expected to foot the bill for this as well?

The comment was made that the district superintendent's office does not "check up" on the progress of students attending classes in Edmonton. The superintendent and his assistant do, in fact, keep well informed on the progress of those children who cannot be educated in the district and whom the board sends to special classes in Edmonton.

The superintendent does not "check up" on those who do not wish to be educated locally. As a taxpayer, I am not at all convinced he should do so. The superintendent is employed by the district to look after its students . . . not the pupils in the Edmonton school system.

We find no fault with the district's policy concerning tuition fees. We only wish more money were available to increase to 100 per cent from the present 50 per cent the fees paid for the academically handicapped.

Badminton Club considers establishing second team

The St. Albert Badminton Club will be holding their annual meeting and election of officers for 1971-72 on Monday, Sept. 20 at 8 p.m., at the Clubhouse on Grenfell Ave. Interested new members are invited to attend.

Reports will be received from president Tony Raven, treasurer Clark Warren and tournament captain Judy Wood at this time.

One proposal which the outgoing executive would like all old and new members to consider before the meeting is the possibility (dependent upon gym space being available) of setting up a second badminton club in St. Albert (perhaps in the Grandin area).

The intention would be for the new club to be primarily for players who are not interested in the competitive badminton teams which seem to take up a fair amount of time in the existing club. It is felt that with the continued increasing population in the town that it is feasible and desirable to have two clubs operating - since conditions in the present club become much too crowded particularly early in the season.

Players would be free to join whichever club they wished but the existing club would stress 'competitive' badminton (against city teams), while the other would be mainly recreational. Club officials would like to hear everyones opinion on this matter - particularly last years non team members - so please come to the meeting and express yourself.

The fees for the coming year will remain the same as last year at $7.50 for adults and $5 for juniors attending high school f[illegible] the season which [illegible] October [illegible]. Prospective new members have an opportunity to play for a few weeks before deciding whether they wish to join since fees are not due until Oct 31.

The playing nights have not been approved by the town as yet, but play usually begins during the first week of October. The present club plays at Vital Grandin School and members must have their own racquets and running shoes, birds are supplied. It is planned to have a series of six lessons beginning the second week of October and this is included free in the membership fee.

There is a coaches clinic to be held Saturday and Sunday, Sept. 18 and 19 at Jasper Place Composite. The fee is $5 and the instructors are Dave McCready and Fred Zucker.

This clinic is mainly to learn how to teach others, rather than self improvement, so some of last years B players may be interested in this.

For further information call Judy Wood at 599-8696.

St. Albert Dominates Hillcrest Tournament

In the Hillcrest Invitational Tournament held on the weekend, St. Albert seemed to come away with more than their share of trophies. St. Albert took both primary singles, the primary mixed doubles, secondary mixed doubles and the mens doubles is still not played but again St. Albert has a chance for another primary event as John O'Connor and Rod McLeod are finalists.

John O'Connor took the primary B singles over a Hillcrest player, Keith Katchuk, while the ladies B singles was an all St. Albert final as Bernice Parsons defeated Cynthia Sage in the final 7 - 5, 6 - 7, 6 - 1. However Cynthia did not go away empty handed, she turned with Clark Warren in the primary mixed doubles to defeat Bill and Betty Marsh of the Garnau Club 7 - 5, 6 - 4.

The secondary mixed doubles title went to Al Hoge and Bernice Parsons over Mike Craigen and Helen Potter from the Royal Glenora Club.

This being the last invitational tournament of the season was a tremendous success for St. Albert players leaving them good memories with which to begin next season.

The last novelty doubles of the season was held not too long ago with a good turnout. The winners being Judy Wood and Clark Warren and Bob Green tied for the [illegible].

All members are reminded that Sept 18 and 19 is the date of the final club tournament and Rod Wood, [illegible] is the deadline for entries. Please leave [illegible] or Fred Rudolph [illegible] for further information or entries.

In the final of the B Interclub St. Albert performed a 'first' as they tied with the Royal Glenora after entering the second match with a five game lead. After [illegible] the second match a third [illegible] was played, however Royal Glenora came out on top winning 28 - 22 and thus winning the Brier Shield. However, congratulations are due to the team members on putting up such a good fight. They were Clark Warren, Fred Rudolph, Al Hoge, Bernice and Roberta Parsons and Cynthia Sage.

your views

Doctors, lawyers, bankers, stock brokers, real estate and insurance agents and other professional and service industry groups are trying to determine the effect of the new draft Competition Act on what they charge for their services. The bill, which will replace the Combines Investigation Act, extends the prohibitions against price fixing in the combines act to the professions and service industries. The government is seeking the views of interested groups.

Officials in the Department of Consumer and Corporate Affairs doubt the bill in its final form could become law before the end of 1972. Section 16 of the draft clearly outlaws any agreement to fix, in any manner whatever, the price or any other term or condition of a service (or commodity). However, there are exceptions. Section 92 exempts any agreement sanctioned by federal or provincial legislation.

St. Albert girl breaks national cycling record

Pat Pasemko of the St. Albert Bicycle Club broke the Canadian Women's Record in the 10-mile time trial with a time of 32' 21". Pat is only 12 years old!

The club is expecting great things from Pat in the future and plans to assist her in obtaining skilled coaching.

In the senior event, John Bryan of George's Cycle won again in 22' 52". Team-mates Terry Painter and John Rodger finished second and third.

St. Albert Bicycle Club's Lee Cameron finished fourth and Peter McCaffery, also of the local club, came fifth.

In the Canadian Cycling Association 25-mile team time trial on Sunday, John Rodger and Terry Painter of George's Cycle came first in 1 hr. 0' 17". Second were Peter McCaffery and Lee Cameron. Harold Haacock of Velo Sport Edmonton and Rudi Frahm of first DFC Victoria tied for third.

Other St. Albert finishers were Chris Oddy, Lawrence McMullen, Greg Peters and Ted Bitterworth.

In the solo 25-mile time trial John Bryan scored another win with a time of 58' 40". Second was Ed Heacock of Velo Sport and third was John Williamson, also of VSE.

The most notable performance of the day was turned in by 16 year old Ondrej Simon, of VSE, who rode the 10-mile race in 23' 03", an Alberta junior record. Second was Henrie Corle and third was Bob Bolivar.

Former Legal resident dies

Mrs. Maria Nault died after a lengthly illness on August 27, at the age of 72.

She was born in Albertville, Quebec, and at the age of three months travelled by CPR with her parents to Edmonton. From there the family moved to Legal.

She married Emile Nault and the couple had nine children; two predeceased Mrs. Nault.

In 1945, the family took up residence in Edmonton where she lived till her death.

The prayers for the repose of her soul were held at the Connelly and McKinley funeral home. Services were held in St. Andrew's church. Rev. Father Butts celebrated mass.

The pallbearers were: Pat and Hermel Girard, Paul Groleau, Allan Munro, Rip Repske, Dean Sacks.

She leaves to mourn her loss, her husband, Emile; three sons; Joseph of Legal; Jacques and Clem of Edmonton; four daughters; Mrs. William (Annette) Woody of Spokane, Wash., Mrs. (Yolande) Johnson and Mrs. George (Dorothy) Frinskie of Edmonton and Mrs. Gerard (Jeannine) Johnson of Port Angeles, Wash., and 20 grandchildren; two sisters and one brother.

"I sure hope this Dr. Grump is a good doctor," said the nervous new patient. "I hope he knows what he's doing."

"Oh, of course," soothed the nurse. "He's been practicing for years."

"Practicing?" gasped the patient, alarmed. "You mean he's still just practicing?"

Boisvert - Kruper vows at St. Pius

By Lucienne Montpetit

St. Pius X was the scene of a late summer wedding when Father Albert Laisnez united into marriage Lorraine Anne Kruper, daughter of Mr. and Mrs. Michael Kruper, and Marcel Boisvert, son of Mr. and Mrs. Norman Boisvert, all of Edmonton.

Baskets of gladiolus, roses, sweet peas and daisies decorated the church. The wedding music was played by R. Soetart.

Given in marriage by her father, the bride chose a gown of double rayon taffeta with a chiffon sheer overlay. Bands of lace extended from the mandarin collar. The long chiffon cuffed sleeves were trimmed with matching lace and the double tier nylon tulle veil was held by a rhinestone tiara. The bride carried a bouquet of white and pink miniature carnations.

The bride's attendants were Lois King, matron of honor, and Freda Germain and Lorraine Boisvert, bridesmaids. They wore identical floor length gowns of deep pink chiffon over taffeta. They chose deep pink lace flop hats and carried nosegays of white and pink miniature carnations centred with pink streamers.

The best men were Dwayne Lanitski, Robert Pelletier and Paul Kruper.

Ushers were Karl Kruper and Raymond Pelletier.

For her daughter's wedding Mrs. Kruper chose a turquoise lace dress with a matching coat complimented by a corsage of pink roses.

Mrs. Boisvert wore a baby blue lace dress and coat ensemble with pink roses en corsage.

Following the ceremony a banquet and reception was held at the Wellington Park Community Hall with Mr. Beland as master of ceremonies and Mr. Marchand proposing a toast to the bride.

For her wedding trip to Vancouver and the Okanagan the bride donned a yellow lace hot pants outfit with purple accessories.

The couple will reside in Edmonton.

After a hard day at the office, a man went home to his wife and cute little three year old daughter.

"Have you a kiss for Daddy?" he asked.

"No."

"I'm ashamed of you! Your daddy works hard all day to bring home some money, and you behave like that. Come on now, where's the kiss?"

Looking him right in the eye, the three-year-old said "Where's the money?"

Morinville pioneer dies at 87

EDMOND VERVYNCK

Funeral services were held in St. John the Baptist R.C. church in Morinville on September 7 for Ed Vervynck, 87, pioneer of the Morinville district and the oldest member in District 37B of Lions International.

Rev. Father Lucien Teller conducted the funeral service. The guard of honor was comprised of nine members.

The eulogy was delivered by Mayor Art Stapleton. He recalled the loyalty with which the Grand Old Monarch of Lionism in this region had served during his 15 years as a member of the Morinville Lions Club. Mr. Stapleton also stated that he had been inspired many times by Mr. Vervynck's down to earth philosophy. "He was a man who knew what he wanted out of life. He was not only a man, but a gentleman, who knew how to live."

The honorary pall bearers were six old friends, Theophile Himschoot, Hector Richard, Cyril Vlon, Hans Jansen, Georges Volulchuck and Camille Paepe. Active pallbearers were six grandsons, Paul, Jerry, Jim and Percy Vervynck and Dave and Lorne Taylor

Among those paying their respects was Madame A. Cairns, of Edmonton, Consulate of Belgium and many out of town friends. Interment followed in the local church cemetery.

Mr. Vervynck is survived by his widow Mrs. Mabel Vervynck, four sons: Eddie, Revelstoke, B.C.; Frank and Ferd, Morinville; and Marcel of Edmonton; three daughters: Mrs. Margaret Taylor, Revelstoke, B.C.; Mrs. Mary McConachie, Fernie, B.C., and Mrs. Celina Hogue, Penhold, Alberta; 23 grandchildren and 35 great grandchildren; three brothers and two sisters in Belgium.

Morinville program may be discontinued

A year of fellowship, learning to get along with ones peers and participation in organized activities such as camping and hiking, or... nothing?

Boys between the ages of 6 and 14, and their parents, have to make this decision on September 21, when the Morinville cub and scout group committee will hold a registration meeting at the Rec. Centre at 8 p.m.

Alphonse Nobert, chairman of the group committee told the Gazette a previous registration saw only a very small number of boys express an interest in scouting.

Last year there were 48 cubs and 16 scouts participating in the program offered in Morinville.

"We desperately need the support of the parents and a good number of registrations, or we will have no choice but to terminate this organization in the Town of Morinville," Mr. Nobert said.

Mr. Nobert indicated parental aid is needed in areas of fund raising and providing of leadership and added leader-training may be arranged for. Older teens, too, make excellent leaders, he said.

Boys 6 - 11 are invited to register for cubs; the scouting program is for boys 11 - 14 and parents of ALL ages will be welcomed with open arms!!

Bride: "Guess what we're having for dinner?"

Groom: "Serve it and I'll try."

BON ACCORD ACTIVITES

By Sadie Allen

The first art class of the season was held at the school on Thursday at 7:30 p.m. under direction of Marlene Kalinowsky. The course consists of 10 lessons which are held every second Thursday. The class is limited to 15. However, there may still be a few openings. For information check with Jean Chubb at 998-2221. Interested parties from outside the district are welcome.

Dale Lewis has left for Red Deer where he will play for the Red Deer Rustlers junior hockey club. The community will be watching his progress.

All those young fellows who have baseball uniforms at home are asked to turn them into their respective coaches so that they may be turned over to the community centre for winter storage.

The first ladies community club meeting for the coming season was held at the home of Donna Fleming. Frank Ketler, a newcomer to Bon Accord, was welcomed into the club. Tentative plans for the annual turkey supper to be held Thanksgiving Monday, October 11 were made. Since June, the ladies have catered for two wedding receptions and operated the booth for the track meet. The sum of $500 was donated to the community centre. Hostess prize was won by Edith Kowalski.

A general meeting of the shareholders of Bon Accord Mutual Telephone Company will be held on Monday, Sept. 20 at the Bon Accord community centre re. installation of underground cable by AGT. Time 8:30 a.m.

Rikard and Martha Rafn and Jean Sloan motored to Calgary recently. While there they visited Mr. and Mrs. G. Hobbs who treated them to a tour of the city and Heritage Park.

Jessie Miller visited Calgary recently and stayed a few days with her son, Walter.

Sunday School classes began on Sunday, Sept. 12 for ages 4 to 12. Place - Bon Accord United Church; time 9 a.m. All children are welcome to attend.

Council doings - First reading was given to a bylaw authorizing council to incurr an indebtedness on behalf of the village by the issuance of debentures for the purpose of constructing a water reservoir and pumphouse.

Chas. Lewis has returned from a holiday at Penticton, where he visited with son-in-law and daughter, Frank and Shirley Chubb.

Latest report on Basil Lewis is that he is doing well and should be able to come home in four weeks.

Welcome back to John and Marjorie Marris who have moved into Bon Accord and are now living in the Bob Davis house and to Sadie Strawson and wife who are living in the former home of Mrs. Amber Hewitt.

Congratulations and best wishes to Jerry and Vivian (nee Euverman) Hegadoren whose marriage took place in the Protestant Chapel, Namao with Padre Irwin officiating. The reception was held in R.A. community centre followed by open house at the home of the groom's parents, Mr. and Mrs. Carney Hegadoren. Out of town guests included Mrs. Bessie Hegadoren, Mrs. Cliff Danlher, Mrs. Ruby Lennon and Mr. Wm. Danlher, all from Ontario and Mr. and Mrs. J. Euverman, Mr. and Mrs. W. Euverman, and family; Mr. and Mrs. W. G. Euverman and family; Mr. and Mrs. T. Hoekstra, Veronica Boender and Wm. Vanderhor of Vancouver and New Westminster.

Leo Maurier and George Montpetit were hunting together in the Blue Ridge district, September 9, when Leo came upon a big bull moose. Leo reports this is the biggest moose he has ever shot. The animal had a rack span of 55 inches and weighed 710 pounds dressed. The men had quite a chore getting the big animal out of the bush.

Calahoo News

On Sunday the Gauthier's welcomed all out of town wedding guests, friends and relatives to a buffet luncheon held at the Gauthiers' home. Wedding gifts were on display.

A shower was held for Colleen Warren prior to her wedding when 46 friends and relatives gathered at Mrs. K. Driver's home. Hostesses were Mrs. Bob Driver and Mrs. Bill Reed.

Mr. and Mrs. Fred Labonte enjoyed a weekend visiting with Fred's brother and wife, Mr. and Mrs. Charlie Labonte at Westlock.

Charlie and girls attended his nephew Bill Wylie's wedding on August 28 in Onoway.

Health Unit will test water

Parents of children eight years of age and under may be interested to know that dental caries can be reduced 65 - 70 per cent by the administration of fluorides on an individual basis where communal fluoridation is not available.

The fluoride content of the patient's existing water supply must be known before fluorides are prescribed. A sample of water can be brought and tested for fluoride content at the Sturgeon Health Unit. Fluoride supplements are then supplied and adjusted free of charge according to the fluoride content of the patient's existing water supply.

For enquiries, please contact the Sturgeon Health Unit.

Sturgeon Recreation

Carl Royan, recreation director, MD of Sturgeon, advises that registrations are now being taken for the recreation leadership course, to be held at Camp He-Ho-Ha at Lake Isle.

Courses are set for Oct 15, 16 and 17 and Oct. 29, 30 and 31. The program offers leadership training in arts and crafts, dressmaking, macrame and playschool.

For further information contact Mr. Royan at 256-3321 or 424-6276. This course is open to all residents of the MD who would like to teach the different crafts in their own communities.

MORINVILLE MEMOS

By Rose Martel

Peter Chucklinski, 66, who for the past three years has been a shoemaker in Morinville, was the victim of a car accident which occurred at the main intersection in town east of the Morinville Hotel. He was hit by a car driven by a youth from Barrhead. He is resting in Royal Alex Hospital. According to reports he suffered a fractured knee cap, double fracture of one leg, and head injuries.

Last Friday at 1:50 p.m. the Morinville volunteer fire brigade answered a call from the Mercier's mink ranch on the western outskirts of town. According to Mrs. Leo Mercier what started as a small grass fire spread to some old mink cages. No serious damage was done, and the prompt action of the local boys prevented what could have been a serious fire.

The Morinville senior baseball club held a social at the International Building at the weekend. Mr. and Mrs. Albert Craig of Craig's Manufacturing are the sponsors of the team. The team came up with a fine showing in league play this past season. Dave Kegler, the local baseball director has been instrumental in getting the local teams organized and a number of business people and interested citizens have given fine support to senior and junior teams.

Vivian Rousseau reports that ceramic classes will begin soon in Morinville.

Beginners course: eight weeks, October 5. Cost - $12 including materials. Registration deadline is Sept. 26. All inquiries maybe directed to Charlotte Riopel at 256-3025 or Annette Lapointe at 256-3107. The members of the ceramic class will hold an open house on the convent grounds on Sunday, September 26 from 2 - 5 p.m. Coffee will be served.

The Morinville Mother's Local will hold their annual rummage sale in the Morinville Rec. Centre on October 19 and 20. Depots for all donations are at the Robert Anderson, Robert Lapointe and Terry Curtis residences. Jo Anderson is the general convener.

Mrs. Hormidas Houle and family have moved to the west coast, where Mr. Houle is managing a service station.

Caroline Borle, daughter of Mr. and Mrs. Gerard Borle, is back in school after a stay in hospital.

Arthur Krauskopf is resting in Edmonton hospital, after undergoing major surgery on Monday.

Mrs. Bernadette Ouellette welcomed friends from La Belle Province de Quebec, when Mr. and Madame Claude Cartier from St. Lambert visited her home in Morinville.

Around Sturgeon

The voters in the MD of Sturgeon can watch the upcoming elections in the towns and villages in a retaxed manner from now until October 13. Their own nomination day is set for October 27, with elections on November 24.

Public Schoolboard discusses busing problems with parents

A delegation, who said they represented the parents of 93 children from Grandora Crescent and the area immediately to the north, east and west, met with the St. Albert public school board Monday evening to discuss a common problem -- school bus service to Albert Lacombe.

The children affected live within 1 1/2 miles of the school, hence cannot be transported by school bus. The parents feel the 1 1/2 mile transportation limit is unfair, especially in the case of elementary students.

Trustees agreed with this, but pointed out that it is a matter of provincial law.

Superintendent Vince Maloney said in the past children who live within the limit have been picked up by buses when these were not full, but pointed out that the board is not obliged to provide transportation for these children. "Our ratepayers may get up in arms if we start doing this," board chairman Dave Fraser added.

The delegation also expressed concern over the walkways which the children travel, to and from school. They charged that the town does not keep these cleared during the winter months.

The general feeling was that the board may have to take this matter up with the minister of education and the suggestion was made that MLA Ernie Jamison be asked for his guidance in this matter.

It was also suggested that the board and the parents look into a cost-sharing plan and the question may be put to the ratepayers of the district in the form of a plebiscite.

In regard to the latter proposal, Mr. Fraser cautioned the group that "people in other parts of town will probably turn thumbs down on such a proposal."

The trustees will meet again this Saturday morning with J. Behiels, spokesman for the parents.

Norman Palmer weds Barbara Bambush

St. Albert Roman Catholic Church was the setting of a beautiful wedding September 11 when Barbara Ann Bambush, daughter of Mr. and Mrs. Peter Bambush of St. Albert became the bride of Norman L. Palmer, son of Mr. and Mrs. Richard Palmer of Busby.

Reverend Father Colin Levangie OMI officiated at the ceremony. The church was decorated with bouquets of orange carnations and white gladioluses.

Given in marriage by her parents, the bride chose a floor length gown of white nylon chiffon, featuring a mandarin collar and long sheer sleeves fitted with lace-trimmed cuffs. The bodice with its empire waist and bell skirt featured rows of lace applique. The train also featured lace applique. Her layered veil was held in place by a lacy headpiece that matched the lace applique on her dress. She carried a bouquet centered with a white orchid surrounded by red roses and stephanotis.

The bride's attendants were Brenda Bambush, twin sister of the bride, Darlene Harrold, and Marlene Brown. Janet Olsen was flower girl. All wore identical gowns in coral featuring empire waists and mandarin collars. They wore white flowers in their hair and carried bouquets of white gladioluses and orange roses.

The groom was attended by his brother, Richard, Robert Palmer and David Kieser. Wilfred Kieser carried the rings. Ushers were Denis Bambush, and Darrell Kieser.

The mother of the bride chose an A-line royal blue dress with navy accessories. She wore a corsage of red roses.

The groom's mother chose a low-waisted navy dress with white trim and a pleated skirt. Her outfit was complimented with white accessories and a corsage of pink roses.

A banquet was held at the Club Mocombo with Dan Brenneis acting as master of ceremonies. Allan Brown proposed the toast to the bride. A dance followed.

The bride chose a mint green dress in fortrel and brown accessories complimented by a white orchid en corsage for her going away outfit.

Mr. and Mrs. Norman Palmer will reside in St. Albert.

For the man who can't take a vacation but would like to feel as though he's had one: Play golf on two hot afternoons wearing a sweat shirt, shave every morning and evening, wear your coat all day and give everybody you meet a quarter.

Gauthier - Warren vows at Fort McMurray

By Liz McLeod

A pretty wedding was solemnized in St. John Baptist Church, Fort McMurray on Saturday, August 21 when Colleen Beverly, eldest daughter of Don and Mary Anne Warren formerly of Calahoo, became the wife of Euclid U. Gauthier, son of Urban and Jeanne Gauthier all of Fort McMurray.

The Rev. Father J. A. Turcotte performed the ceremony before an alter decorated with gladiolus and blue and white carnations.

The wedding music was played by Mrs. Bob Driver; soloist was Anton Walker.

The bride, given in marriage by her father, chose a gown of bridal satin, with jewel neckline and long bell sleeves and semi-train.

Her only jewellery was a single strand of cultured pearls, a gift from the groom and she carried a cascade of white and pink carnations with blue batchelor buttons.

Maid of honor was the bride's sister, Maureen; bridesmaid was Marianna Gauthier, sister of the groom. The attendants wore identical gowns of pink crystalline, featuring empire waist and long bell sleeves. They carried bouquets of white carnations and blue batchelor buttons.

The best men were Isadore Gauthier of Plamondon and Denis Gauthier of Fort McMurray, both cousins of the groom.

Guests were ushered by Maurice Menard and Lloyd Wygle of Fort McMurray.

A reception followed in the catholic church hall with 250 guests in attendance.

The bride's mother chose an aqua-marine blue, princess-style dress. Silver shoes and accessories complimented her ensemble and she wore a corsage of white and red carnations.

The groom's mother chose a white sleeveless dress with purple trim on bodice and hem. She wore purple shoes and white gloves. Her corsage was of white carnations and baby mums.

John Krupa of St. Albert was the master of ceremonies. A congratulatory telegram was received from Colleen's uncle and aunt at Whitehorse, Yukon.

Out of town guests included Euclid's grandfather, Isadore Gauthier Sr., of Lac La Biche, Colleen's grandmother, Mrs. Alice Warren from Onoway and her godparents, Mr. and Mrs. John Krupa of St. Albert.
